HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No. 5414 of 2002

ORDER:

-

Petitioner is an agency providing security services. The 4th respondent issued notifications, inviting tenders for execution of the contract of providing security services. It is alleged that for the period of six months from 01.01.2001 to 30.06.2001 and for the subsequent period of three months i.e., from 01.07.2001 to 30.09.2001, the petitioner emerged as the lowest tenderer and still the contract was not awarded. The subject matter of the present writ petition is a tender notification published on 02.02.2002 for awarding of contract to be in force from 01.04.2002 to 30.09.2002. The petitioner alleged that though it emerged as the lowest tenderer, the 4th respondent did not issue the letter of intent and appropriate directions are sought for, in this regard.

Heard the learned counsel for the petitioner and the learned Standing Counsel for the respondents.

While admitting the writ petition on 26.03.2002, this Court held that the award of contract in pursuance of the tender notification, in question, would be subject to the result of the writ petition. It has already been pointed out that the tender itself was for a period of six months. The period had already expired. Hence, nothing remains to be decided in this

writ petition.

The writ petition is, accordingly, dismissed as infructuous. There shall be no order as to costs.
